Re: Corporate Records

Dear Donna Wade:

Enclosed with this letter are the annual corporate documents that have been prepared for your Company. Also included is a Corporate Records Book to hold these documents and related records.

Specifically, enclosed is a document entitled "Unanimous Consent of Shareholders". This document lists the Directors of the Corporation. Each person listed as a Shareholder must sign this document on the line above where their names are printed. Each person should date the document on the line opposite their signature.

Second, enclosed is a document entitled "Unanimous Consent of Directors" that lists the corporate officers for your Company. This document must be signed by each Director on the line above where the Director's name is printed. Each person should date the document on the line opposite their signature.

After the enclosed Unanimous Consents have been signed and dated, the documents should be inserted in the Corporate Records Book. Your company's corporate records will be current after the Unanimous Consent documents are signed and dated.

If you have any questions regarding the completion of these documents, please contact us via e-mail at the following address: services@councilforcorps.com.

Notice: The preparation of records of annual meetings does not satisfy the requirement to file the annual report required by Florida Business Corporations Act 607.1622. The annual report and instructions may be found online.
