Dear Mr. Bishop:

This letter is regarding coordination of coverage between your health insurance policy through University of Michigan Health Plan and your automobile policy.

University of Michigan Health Plan processes claims related to automobile accidents on a primary basis while investigating to determine the type of auto coverage you purchased.

Michigan residents have the option of purchasing either a coordinated or uncoordinated automobile policy. If you choose a coordinated auto policy, your health insurance policy through University of Michigan Health Plan will pay primary for all covered health services as described in your University of Michigan Health Plan Certificate of Coverage as long as your policy is in force at the time eligible services are incurred. If you choose an uncoordinated auto policy, your auto policy will pay primary for all medical costs incurred as the result of an automobile accident.

Individuals covered under this policy include:

Name	Date of Birth	Coverage Dates
Michael Bishop	01/25/1965	01/01/2013 – Current
Celeste Bishop	04/17/1967	01/01/2013 – Current
