Dear Taxpayer:

Your tax professional enrolled you in the Electronic Federal Tax Payment System (EFTPS) to make tax deposits or payments on your behalf. EFTPS is a free service of the U.S. Department of the Treasury.

The IRS recommends you monitor your EFTPS account to ensure your tax professional is making timely tax payments for you. To view your payment history at **EFTPS.gov**, you will need to create a password using the following inquiry PIN and enrollment number. At **EFTPS.gov**, click on "My Profile" then "Need a Password," and enter the following information.

**Your EFTPS Inquiry PIN is:**

**0606**

**Your Enrollment Number is:**

**238864616580912142**

**NOTE: You cannot make a payment using this PIN.**

If you already have an active inquiry PIN and password, you may continue to use those to view your payment history and not activate this new enrollment.

You're responsible for the timely filing of employment tax returns and the timely payment of employment taxes for your employees, even if you've authorized a third party to do these for you. If the third party fails to make the federal tax payments, the IRS may assess penalties and interest on your account. You are liable for all taxes, penalties and interest due. The IRS can also hold you personally liable for certain unpaid federal taxes.

Please use your Inquiry PIN regularly to monitor your payment history, if the Inquiry PIN is inactive for a period of 12 consecutive months, it will be terminated. Use your TIN, PIN and Enrollment Number if you have questions about your EFTPS enrollment.

If you need assistance, call customer service 24 hours a day, 7 days a week at 1.800.991.2245. If you are calling from outside the U.S., call 1.303.967.5916.

Protect your identity. Never give out your PIN or password.
