Re: Joanna Parker Status of Employment

To Whom It May Concern:

Joanna Parker began her employment with the Labor Law Poster Service on December 12, 2016. Her last day working in the office was March 23, 2021, but called off the following few weeks due to health concerns. She resigned on April 21, 2021, stating that her health was not good enough to return to work. If you have any questions or concerns, please contact me at (517) 321-4144.

Thank you,
