PHP Insurance Company

August 27, 2021

RE: L0001596, LLPS, Inc.

On December 1, 2021, LLPS, Inc. will renew coverage with PHP. To assist in selecting the benefit options that best meet plan design and budget needs for 2021, I am including the following attachments:

1. Renewal and Options – compares your renewal plan to several available options. The member census detail shows specific rates for each plan option. If you would like to see additional benefit options, feel free to contact me.

2. 2021 Delta Dental Plans and Rates.

In some instances, there may be benefit changes in the 2021 plan based on changes in state or federal regulations, to maintain ACA compliance, etc. For comparison we are including a detailed benefit summary for both the current plan and the renewal plan.

Open Enrollment is November 1, 2021 through November 30, 2021. Eligible employees can enroll or make changes at that time. To help support Open Enrollment activities, we are enclosing some promotional materials:

- Amwell – PHP has lowered the member copay for Amwell Telehealth Service to $5.00 and has added Behavioral Health services at the office visit copay. See attached flyer for details and how Amwell applies if you have an HSA plan design.

- BeWell – PHP is providing access to an online Health Management portal for enrolled employees at no cost. See attached flyer for details.

Please notify me at Jeanette.Pung@phpmm.org to confirm your 2021 plan design and rates no later than 30 days in advance of your renewal date. To confirm your renewal decision, please sign the appropriate plan option page. If we do not hear from you, we will renew your plan based on the 2021 attached renewal documents.

Thank you for your business over the past year and I look forward to working with you in 2021. If you have any questions or need additional information, please call me at 517.364.8264

Sincerely,

Jeanette Pung
