RE: L0001596, LLPS, Inc.

On December 1, 2023, LLPS, Inc. will renew coverage with PHP. To assist in selecting the benefit options that best meet plan design and budget needs for 2023, I am including the following attachments for reference:

- Renewal and Options – compares your renewal plan to several available options. The member census detail shows specific rates for each plan option. If you would like to see additional benefit options, feel free to contact me.
- 2023 Delta Dental Plans and Rates

In some instances, there may be benefit changes in the 2023 plan based on changes in state or federal regulations, to maintain ACA compliance, or other outside influences. For comparison, we are including a detailed benefit summary for both your current plan and the proposed renewal plan.

Open Enrollment is November 1, 2023 through November 30, 2023. Eligible employees can enroll or make changes during that time. To help support Open Enrollment activities, we are enclosing the following promotional materials:

- Amwell – Amwell Telehealth has a \$5 copay. Behavioral Health services are now included at the office visit copay. See attached flyer for more details, which includes how Amwell works if your plan has an HSA.
- Sparrow Be Well – PHP provides access to Sparrow Be Well, an online health management platform for enrolled employees at no additional cost. See attached flyer for details.
- LifeBalance – A well-being discount program that includes local, regional, and national discounts for health and lifestyle products, services, dining, entertainment, and more.

To confirm your 2023 plan design, notify me at Jeanette.Pung@phpmm.org no later than 30 days in advance of your renewal date by signing the appropriate plan rate exhibit. If the signed plan rate exhibit is not received within that time, your plan will be renewed based on the 2023 attached renewal documents.

Thank you for your business over the past year. I look forward to working with you in 2023. If you have any questions or need additional information, please call me at 517.364.8264

Sincerely,
