Re: Louisiana Revenue Account Number

Dear Louisiana Taxpayer:

You recently submitted to the Louisiana Department of Revenue (LDR) a tax return that did not include your Louisiana Revenue Account Number or included an account number that was incorrect. Please record the account number listed above and use it on all future correspondence and tax returns filed with LDR.

LDR cannot process returns that do not include the correct account numbers. Louisiana statutes require any person creating a return or statement to include the information required by the forms. Failure to include your Louisiana Revenue Account Number will result in financial penalties.

We appreciate your cooperation.

NOTICE OF ADJUSTMENT(S) TO YOUR TAX RETURN

Why are you receiving this letter?

We have adjusted one or more lines on your 12/31/2024 return. The attached *Notice of Adjustment(s)* to *Your Tax Return* is a comparison of your originally filed return to your adjusted/changed return. The change will mean you will be receiving:

- a refund amount different than you expected, **or**
- a credit carryforward amount different than you expected, **or**
- a bill for a balance due different than you expected.

What should you do?

Compare the amounts you reported with the line item adjustments shown on the attached *Notice of Adjustment(s)* to *Your Tax Return* to review which line items were adjusted. If you determine that your original return was filed with incorrect information you may file an amended return. If you agree with the adjustment(s) and a **Total Tax Period Balance Due** is shown and you are not in active bankruptcy you should submit payment in full to our office as soon as possible to minimize any penalty and interest charges. If you are in active bankruptcy, this *Notice of Adjustment(s)* to *Your Tax Return* is not an attempt to collect. This notice is for informational purposes only.

If you believe your return was adjusted because supporting documents were not submitted with your return, you may send missing supporting documents to P.O. Box 66362, Baton Rouge, LA 70896 or by fax to (225) 231-6238. Note, the submission of additional documents for consideration, reconsideration, or action by the Department with respect to this claim following the mailing of this notice shall not operate to extend the period within which an appeal may be taken.

What happens next?

If you have a **Total Tax Period Balance Due** shown on the bottom of the following page and you do not submit payment in full, a *Notice of Proposed Tax Due* will be issued after the due date of the tax return. If your account has a **Total Tax Period Credit** shown on the bottom of the following page, a refund will issue separate from this notice.

Should you contact the Department of Revenue?

It is not necessary to contact us if you agree with these adjustments. If you have questions about these adjustments, you may call (855) 307-3893 to speak with a Customer Service Representative.
