Dear Valued Customer:

Life is busy -- a month can go by before you know it!. We noticed that the VSP premium payment for one or more of your divisions is still open, and wanted to let you know - keeping payments current will ensure everything is good with your vision coverage.

We would appreciate your taking a moment to visit the Employers tab at [www.vsp.com](http://www.vsp.com) -- it's easy to view your statement and pay online.

We also realize this might be a timing issue. If you have already submitted your payment, we thank you very much, no further action is needed right now.

If you have any questions, please contact us at 800.216.6248, option 3.

We appreciate the privilege of serving you.

Sincerely,

VSP Vision Care
