The Occupational Safety and Health Administration (OSHA) requires all employers to provide a safe and healthy workplace for their employees. In order to assist with this requirement, Council for Corporations, a private company, offers to prepare and provide, for a fee, a personalized, OSHA Safety Manual designed to avoid the fines and penalties listed below and help employers achieve an in-compliance status before an OSHA inspection.

Violations of OSHA may result in the following fines and penalties pursuant to 29 USC § 666:

- (a) *Willful or repeated violation: Civil penalty of not less than \$5,000 and up to \$7,000 for each violation may be imposed;*
- (b) *Citation for serious violation: Civil penalty of up to \$7,000 for each violation shall be imposed;*
- (c) *Citation for violation determined not serious: Civil penalty of up to \$7,000 for each violation may be imposed; ...*
- (d) ...
- (e) *Willful violation causing death to employee: A fine of up to \$10,000 and imprisonment of up to 6 months, or both, shall be imposed.*

Council for Corporations is not a government agency and is not contracted, approved or endorsed by any government agency to provide this service. This is not an invoice. This is a solicitation. You are under no obligation to purchase unless you accept this offer.
