# State Minimum Wage Coverage for Farm Workers

## TIMING

- The law became effective January 1, 2002.

## COVERAGE

- The law guarantees farm workers the state minimum wage of \$5.85 an hour on all farms except for the following employees:
  - The employer's immediate family members;
  - Seasonal hand harvest workers paid on a piece rate basis where the employee commutes daily from a permanent residence and works less than 13 weeks a year;
  - Children 16 or younger employed in hand harvest labor on the same farm as their parents; and
  - Employees engaged in range production of livestock (cattle and sheep).
- The law does not require farm workers to be paid overtime.
- This law does not require farm workers to be paid only on an hourly basis. They can work and be paid on a piece rate basis. However, when working on a piece rate basis, it is necessary for employers to keep records to document that the amount earned by piece rate is not less than \$5.85 an hour, the minimum hourly wage.

## RECORD KEEPING

- Records should include:
  1. Employee's name, home address, occupation, sex, and birth date (if under 19 years of age);
  2. Hour and day when workweek begins;
  3. Total hours worked each workday and workweek;
  4. Total daily or weekly straight time earnings;
  5. Regular hourly pay rate;
  6. Deductions from wages;
  7. Total wages paid each pay period; and
  8. Date of wage payment and pay period covered.
- Records do not have to be kept in any particular form and time clocks need not be used.
- Records must be kept for a minimum of three years.
- Employees must be paid for all hours worked in a workweek. In general, hours worked includes all time an employee must be on duty, or on the employer's premises or at any other prescribed place of work.

## ENFORCEMENT

- When wage complaints are filed, the department will enforce the state farm worker minimum wage law through its wage claim process.
