PAID SICK LEAVE FOR FEDERAL CONTRACTORS

ONE HOUR OF PAID SICK LEAVE FOR EVERY 30 HOURS WORKED, UP TO 56 HOURS EACH YEAR

PAID SICK LEAVE

Executive Order 13706, Establishing Paid Sick Leave for Federal Contractors, requires certain employers that contract with the Federal Government to provide employees working on or in connection with those contracts with 1 hour of paid sick leave for every 30 hours they work—up to 56 hours of paid sick leave each year.

Employees must be permitted to use paid sick leave for their own illness, injury, or other health-related needs, including preventive care; to assist a family member who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member who is the victim of, domestic violence, sexual assault, or stalking.

Employers are required to inform employees of their paid sick leave balances and must approve all valid requests to use paid sick leave. Rules about when and how employees should ask to use paid sick leave also apply. More information about the paid sick leave requirements is available at www.dol.gov/whd/govcontracts/eo13706

ENFORCEMENT

The Wage and Hour Division (WHD), which is responsible for making sure employers comply with Executive Order 13706, has offices across the country. WHD can answer questions, in person or by telephone, about your workplace rights and protections. WHD can investigate employers and recover wages to which workers may be entitled. All services are free and confidential. If you are unable to file a complaint in English, WHD will accept the complaint in any language.

The law prohibits discriminating against or discharging workers who file a complaint or participate in any proceeding under the Executive Order.

ADDITIONAL INFORMATION
