ADVISORY TO ALL FOOD LICENSEES!

Dear Food Service Establishment,

State and Federal food codes have recently been amended to include a new hand washing posting requirement. Effective immediately all Food Service Establishments will be required to post at all hand washing facilities a poster reminding FOOD SERVICE EMPLOYEES to regularly wash their hands. This requirement applies to all hand washing sinks and all public and private lavatories. It also applies to all food preparers regardless if they are a paid employee or not, including owners and operators. Posters must also meet the exact specifications and procedures presented in section 2-301.12 of the code and should not be self-made. Investigations will be conducted by your local inspectors. Any Food Service Establishment found to be in violation of State or Federal law by willfully failing to post approved hand washings posters may be subject to fines up to **\$2500** and suspension or revocation of license, as well as possible civil liability actions. The PFSCC is a non-governmental organization providing mandatory Approved Hand Washing Poster. Therefore to achieve compliance with State and Federal hand washing posting requirements, please respond to the order form below or call the **PFSCC at 1-800-870-2669**. You should comply today. **Thank you for your continued cooperation.**
