**RE: 737298214880 - Agreement Termination**

Dear JOSEPH FATA,

LABOR LAW POSTER SERVICE ("you") has an agreement with FDS HOLDINGS ("we") pursuant to which we provide you card processing and related services (the "Merchant Agreement").

We regret to inform you that we are discontinuing our business relationship with you under the Merchant Agreement.

Effective July 6,2022 (the "Termination Date"), the provision of services under the Merchant Agreement will end. Please be aware that certain obligations established in the Merchant Agreement remain in force following the Termination Date.

After the Termination Date, we will no longer process credit, debit or prepaid card transactions that you may submit to us for the above referenced merchant account. We understand that the account termination will directly impact your ability to accept card payments. Please act soon and make alternative arrangements for accepting card payments prior to that date.

Nothing contained herein shall be deemed a waiver of any rights we may have under the Merchant Agreement or otherwise, and we expressly reserve all such rights.

Please do not hesitate to call if you have any questions concerning this matter. I can be reached at 954-845-5523.

It was a pleasure to provide you with merchant processing services.

Sincerely,

Natalie Davis
