Lansing, MI 48917-1634

Dear Zachary:

Congratulations! You have been admitted to Northwestern Michigan College as a Guest Student. Your admission is for the Summer 2012 semester, which begins on **Saturday, May 12, 2012**. **Your NMC ID is FATAZ**. NMC assigns all students an email account, which will be used for official college communications. Your password will be sent to you separately.

**When you enroll, you will pay at the Out of District (Non-Grand Traverse County) rate, based on your residency. If you have any questions regarding residency, please contact the Records Office at (231) 995-1049 before the semester begins.**

Please realize that a number of classes at NMC require the completion of a pre-requisite course(s). It is up to you to provide proof you have satisfied the equivalent pre-requisite at your current school.

Guest students who have not previously passed math with a grade of "C" (2.0/4.0) or better and wish to take a math course, will be required to take the COMPASS placement test to determine the appropriate math course at which to start. *In some cases ACT scores can be used in lieu of COMPASS*. There is no charge for COMPASS and it can be taken on a walk-in basis Monday through Friday from 8:15 a.m. to 2:30 p.m. in the Careers and Employment Services Office located in the Osterlin Building.

Registration for Summer 2012 is in the NMC Records and Registration Office or online at [www.nmc.edu/webregistration](http://www.nmc.edu/webregistration).

It is important for you to meet with a counselor/advisor at your home institution for assistance with NMC course selection to assure credit transfer. You may also schedule an appointment with an NMC counselor by calling (231) 995-1040.

Welcome to Northwestern Michigan College. If we can be of assistance, please contact us at (231) 995-1054.

Sincerely,

Jim Bensley  
Director of Admissions
