Joseph Bishop's daughter, Norma, provided the photo below. Her father and his brother Alphonse Bishop are in the photo. When I first saw this photo, I said to my husband Mike, "this is one of the earliest Showboat pictures I've ever seen". Mike then said, "look the grass is right up to the stage (see photo). The people must have sat on the lawn". Then I flipped the photo to look at the back and read

1st Chesaning Showboat 1937. I went "Wow....how cool is that!"

Can you spot Joe & Alphonse Bishop in these 2 photos and find them in the photo above?

To help you... Look in the first row left of the 3 End Men sitting on the right side of the stage. Count three seats from the right going left to find Joseph. Behind him in the next row, is Alphonse.

Thanks Norma. Great photo!

Chesaning - Joe Bishop celebrated his 90th birthday Tuesday, with his family, at Chesaning's Heritage House. Bishop wasn't all together sure if June 27, was indeed his birthday. "My mother always told me I was born on the 27th, but I was baptized on the 26th. I never have been able to figure that one out," he said with a bit of a smile.

Some records even show Bishop's date of birth as Aug. 27, 1905.

Coming from a large family, who, without the benefit of television or radio, provided their own entertainment, Bishop has enjoyed a life filled with song. There were seven boys and two girls, "and we could all sing," said Bishop. "We'd all get around the piano and sing."

Each of Bishop's brothers had a different singing voice - soprano, alto, tenor, bass - and they sang well together, said Bishop's daughter Norma (Bishop) Erdman.

"We had to do our own entertainment," said Bishop. "We didn't even have a Victrola early on. We entertained

each other and we were a family. Now (since television has become such a large part of life in America), everyone sets there and watches TV. Nobody talks.

"I sang all my life," Bishop continued. "I was invited to join the men's choir at 14 years old. Later, I had lots of ideas to quit, but my good wife always persuaded me to continue."

Bishop has seven children, 35 grandchildren and approximately 30 great-grandchildren, he said. "I haven't counted them up lately but I guess that's about right."

Utilizing his musical talents, Bishop sang in the chorus for the first three years of the Chesaning Showboat, 1937 through 1939. He also recalls friends, Chet Howell, one of Showboat's main founders and Ollie Richards, who served as the first Showboat captain.

"What I enjoyed most of all about Showboat, was that they would have special guests come in," said Bishop. "State senators, the governor... so you got to meet all the big brass."

Bishop still "sings in the pew," at St. Michael's Catholic Church of Maple Grove.

JOE BISHOP, 90 YEARS YOUNG, enjoyed a birthday celebration June 27, with his family at Chesaning's Heritage House. An accomplished singer, Bishop sang in the chorus on the first three Chesaning Showboats, in 1937 through 1939.

NOSTALGIA

AUNT KATIE DRIVING JIM — It was about 1912 when Aunt Katie Bishop, a single woman, drove her horse Jim to work at the Layton Corners' general store, which was located in the same building as the current auto parts store. Aunt Katie drove the cart two miles through mud roads in the spring and through snow in the winter.

Aunt Katie worked at the dry goods counter. Merchandise included bolts of material sold by the yard for sewing clothing, thread and buttons. The store was owned by John Yeklin for 40 years. (Photo courtesy of Joe Bishop, Maple Grove Township)

Joe Bishop submitted this photo of Aunt Katie Bishop to the Tri-county citizen in 1995.

This photo is shown twice (1st in Peter Bishop Chapter) because of the additional information provided in Joe's story. See article written below the picture of Aunt Katie Bishop.

"Growing up, Dad (Chuck) always told us kids he got straight A's in school. This report card says otherwise. Notice the column that says "Annoys Others" (ha, ha) His sisters would agree."

Author Note:
What I notice is how Sister Mary Clarice says he is good at "nothing at all" and poor in "everything". I'm amazed as to how she could make such remarks and then promote him to Grade 10. I'm thinking that maybe Sister Mary Clarice was part of the problem. No? Ha! Parents always want the very best for their children. I'm sure that is why your Dad said what he

did to encourage his children to succeed. He may not have succeeded as he had hoped for marks in school, however, he certainly succeeded in raising his children to

be wonderful adults that he could be very proud of.

Author Note: I thought it was really cute that Julia shared this memory with all of us. So when my Dad, Vic Bishop handed me a copy of the April 9, 1944 issue of "Grove Echoes", a newspaper published every six weeks by the students of St. Michael School, Maple Grove, New Lothrop, Michigan in 1944, I couldn't help but add what I found in it. It is the grade honor roll published for grades 2 through 8 for St. Michael's. You will note that Charles Bishop made the honor roll in grade 5. God Bless St. Mike's Parish for giving us the St. Michael School upbringing but I gotta say, some of them Nuns were something else. Ok my point made....*J*. My Dad, was also in Grade 5 at the time. I'm sure many of you will recognize a lot of the other names. I thought this was a neat find when my Dad showed it to me. Your Dad, Charles wasn't so bad after all....ha!

Note: The paper had a bad crinkle in it through the upper left side of this article. I scanned it the best I could and added text where missing. Norma Jean Bishop (Erdman) and Rosemary Bishop (Heroux) are also listed. Married names are in () this time for ease of finding the maiden name as listed in the article.

Memories of Peter & Margaret Bishop

By Norma (Bishop) Erdman

Submitted in 1994

Grandma Margaret was of great help and inspiration to me. She was my Guardian Angel many times! She'd help me many ways – advising me on childhood sicknesses, shortcuts to every day jobs! And you could always count on her to pray for your special needs whenever you needed help from the heavenly powers.

When I'd think I was getting the flu or I really felt terrible, she'd tell me "Just take 2 aspirins and a "Swaller" of whiskey and go to bed. Then in the morning you will feel better." She had many good remedies that worked well. She was a very wise lady and our whole family loved her. Of course we lived so close, but she was fun to live by. The kids loved to shovel the porch and walkout. She'd always have some good homemade cookies or candy.

She was a very prayerful lady and loved her God dearly. She was good for everybody to learn how to live and pray in our daily lives. I am sure that she is remembering us all down here now. I am certain that she looks down to see all her people who are here now to carry on her legacy and make this a better world. She has a long line of descendants!

Memories

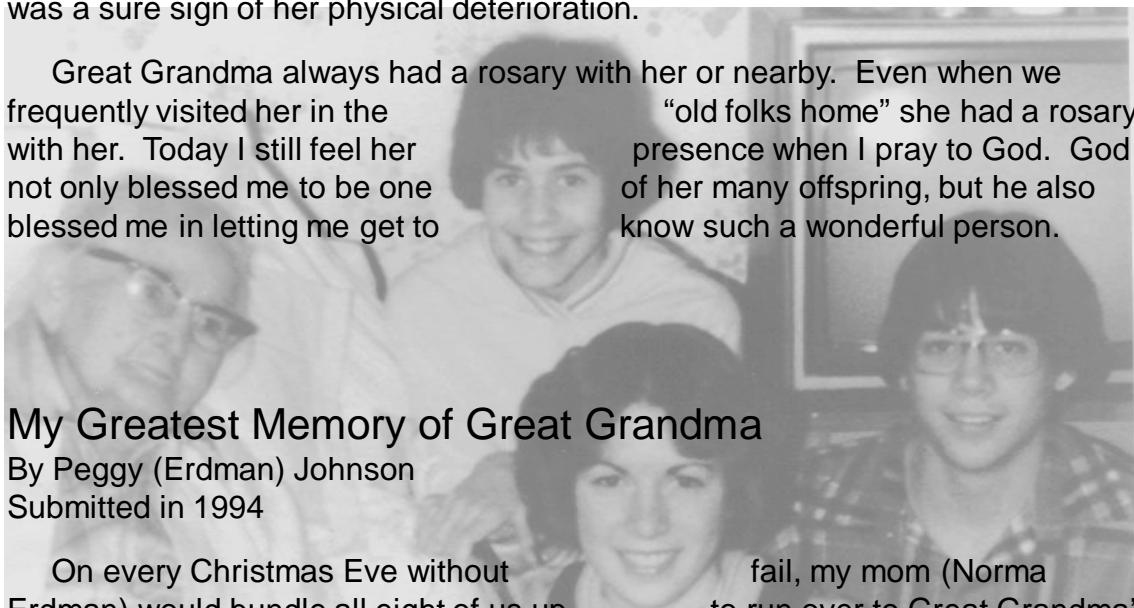

By Karen (Erdman) Eastman

Submitted in 1994

Great Grandpa Bishop had died before I was born so I only knew of him from the stories that I have heard. As for Great Grandma Bishop, I have wonderful memories of her. To this day I still miss her very much. She was also our neighbor, so as children we had the pleasure of taking in her mail daily and visiting her. She always gave us homemade goodies and a warm smile. But most important, she taught us more about God and the meaning of each special holy day. She always had time for us and we always felt welcome.

Great Grandma told us many things of her younger years. The story that really sticks out in my mind is the one of her getting on her knees and praying whenever the noon church bells rang. It didn't matter if she was working in the field or in the house, she always got on her knees. When I visited her daily when I was younger, she did just that. As she got older, she got down on one knee with her head bowed. I think it was when Great Grandma could no longer get down on her knees to pray to God that I realized that she was getting older and weaker. She gave everything to God and for her not to kneel, it was a sure sign of her physical deterioration.

Great Grandma always had a rosary with her or nearby. Even when we frequently visited her in the "old folks home" she had a rosary with her. Today I still feel her presence when I pray to God. God of her many offspring, but he also blessed me in letting me get to know such a wonderful person.

My Greatest Memory of Great Grandma

By Peggy (Erdman) Johnson

Submitted in 1994

On every Christmas Eve without fail, my mom (Norma Erdman) would bundle all eight of us up to run over to Great Grandma's house to sing Christmas Carols and wish her a Merry Christmas. She only lived 2 houses away, so it was always fun running through the snow and getting into an occasional snowball fight. Great Grandma was always glad to see us. I can remember every year, Great Grandma would have these popcorn balls stacked up to resemble a snowman. Between the four youngest, we were always hoping Great Grandma would let us have one. They always looked so good. I think we always ended up taking a sugar cookie with jelly in the middle home. They were very good too!

We would start singing Jingle Bells (I think that was the only one we all knew) and Gary or Joe would run over to the door and yell "There's Santa and Rudolph in the Sky". Of course, none of us wanted to miss it, so we ran over to the door but he was always gone by the time we got there. Great Grandma joined right in with us and played along well. We all bundled up again because we didn't want to miss Santa at our house. We gave Great Grandma hugs and kisses and ran back home.

We went through this ritual year after year and I'll never forget it. It seems like only yesterday.

A Short Story about Peter and Maggie, told to me by my dad, Joe Bishop.
By Ben Bishop

Peter and Maggie's marriage was as solid as any marriage was in those times, but they had their moments like we all do when things would unravel a bit. Peter was more "liberal" by nature, more of a live and let live type of guy who enjoyed a good time with good friends, while Maggie was laced a little tighter than Pete, and was more rule conscious by nature. This inevitably led to disagreements, and arguments would break out, straining the whole household. Pete would normally weather the situation, but once in awhile he'd reach his limit and just bail out. He would quietly stop whatever he was doing, change his clothes, maybe grab a few things, walk to the barn and hitch his horse to the buggy and just leave. No one had any idea where he was going, or how long he'd be gone. Sometimes it was for the day, sometimes overnight, and other times several days. Naturally, the whole house was on edge during his absence, worried for his safety and their own, I imagine. The nights were especially long for Joe, who as second oldest felt the responsibility for the rest of the family. When Joe was in his last years, he related to me how he still remembered laying in bed on warm summer nights with the window open, listening for the clip-clop of the horses' hoofs on the road, signaling that dad was home again. The next morning, it was as if nothing unusual had occurred, no recriminations or cross examination took place. It was business as usual and the family was back to normal.

The data below has been recorded under the Joseph Bishop Family Data Section of the book, however, I decided to include it here as well because I like the way that Andrew laid out his data when he e-mailed it to me. This is another option of how you can lay out both sides of your family data for your children to have at a later date. Well done Andrew!

Short Story

By Fred Bishop

Everyone in the Bishop family knows what a great cook Mom (Genevieve Bishop) was. Especially her pies! She always told the story of when Uncle Ed and Aunt Edie Ebenhoeh would come for dinner. Uncle Ed thought Mom's pies were to die for and had to eat his first before the meal was served to make sure he had room for it. It really made Mom mad that he wanted it that way but she always gave in to him.

And Dad (Joe Bishop) knew Mom could make a pie out of just about anything and get it to taste good. But when Mom asked him what kind of pie he wanted, he always told her any kind would be fine as long as it was apple!

Mom taught me how to stew pumpkin to make her famous pumpkin pie. To this day I've never used canned pumpkin. Our Halloween pumpkins never go to waste.

Genevieve Bishop's Pumpkin Pie

(Also provided in the Recipe Section at the back of the book).

| | |
|--|-----------------------|
| 1-1/2 cup stewed pumpkin (or canned) | 2 tablespoons flour |
| 1/4 teaspoon ginger | 1/4 teaspoon cinnamon |
| 1/4 teaspoon nutmeg | 1 cup sugar |
| 1 teaspoon salt | |
| 1-1/2 cups milk and 1/2 cup evaporated milk or a little more if needed to make a thin custard consistency. | |

Bake at 400 degrees until the center becomes set and a knife comes clean when tested. After 10 minutes of baking, I cover the pie with another pie pan and then uncover it to brown the crust the last 5 minutes of baking time.

Author Note: Thanks Fred for sharing this recipe. My son has been asking me the past 2 years for a real pumpkin pie recipe. I'm sure I could get one off the internet, however, it hasn't been a priority as I keep working on this book. Not to mention the time to cook one the ole fashion way. Now we have you Mom's and I can give it to him to make a pie for me...ha! Thank you!

The Marianne (Fedewa) & Arthur Bishop Story

by Thomas A. Bishop from his "Bishop Family History 1828-1989 Book"

On February 8, 1909, Theresa and Joseph Fedewa welcomed the newest addition to their family. She was a feisty, chubby, strawberry blonde. One week later, Holy Trinity Parish of Fowler welcomed her as a new member.

She was named Marianne after her Grandmother Fedewa. She was a middle child with Bertha, Alfred and Etta older than her and Annette, Bill, Bernie, Estelle and Vern all younger.

Her folks resided on an 80 acre farm in Fowler, the farmhouse which Grandpa Fedewa had built himself. When Marianne was just 4 years old, her family moved to Chesaning where her father had just bought a 100 acre farm from O.C. Sperry of Peet Road.

At the age of 7, Marianne started school at Our Lady's in Chesaning. At first, German was the only language spoken both in the school and at home. Within 3 years English took over. The children brought the English home with them

and soon parents and children alike spoke the new language. I remember going to Grandma Fedewa's and listening to Mom (Marianne) and Grandma talk. It seems that the conversation just would begin to get interesting when suddenly the language was switched to German leaving us to wonder what they were saying and hoping to one day take German just to find out.

Marianne along with her brothers and sisters got up daily at 4:45 a.m. and milked the cows before they went to school. School was a 3-1/2 mile trek for them and usually they went to mass first at the Church. In order to go to Communion, they had to fast all night long and not even have a drink of water. After Church, however, they could have some breakfast.

The home life at the Fedewa homestead was a very happy one. Everyone was expected to help out and days were long with 10 hours of work in the fields where weeding and hoeing took place (one field at a time). Grandpa always made the work seem less tedious as he would constantly joke as they all worked together. Later he would brag to Grandma how well the kids had all worked. to balance those hard days of work, Grandpa would many evenings take everyone swimming. And on many a Sunday afternoon, the entire Fedewa family including Grandma could be seen playing softball.

Another after supper evening entertainment was playing the piano and singing. Grandpa could play the piano well and taught mom at the age of 4 how to chord on the piano. She picked it up fast and eventually she used it as an excuse to get out of doing dishes. (She didn't know then that later with 12 kids of her own, she'd make up many times for what she didn't do then.) Grandpa was quite a Musician as he could play 3 instruments. He formed with Ed Fedewa and another man a 3-piece string trio which included a banjo, violin and piano.

One episode Marianne clearly remembers from her childhood took place when she was about 8 years old. At that time, the three girls, Mom, Estelle (Stell) and Annette shared a bed at night. Mom would tease Aunt Stell until she cried. One night Grandma threatened to spank if all the ruckus kept up – it did. So Grandma came up to spank. Meanwhile the 3 switched places and Grandma unknowingly gave Aunt Stell a good hard spanking. After Grandma went back downstairs, Marianne and Aunt Annette laughed and laughed. All this noise did not make Grandma very happy so she returned to spank poor Aunt Stell all the harder.

When Marianne was 12 years old, electricity came to the area and also to their house. About this time, cars were also becoming part of the picture.

During her high school years, Marianne often worked out at the neighbors helping out when one would be sick or hospitalized or home with a new baby.

there she would cook, clean and care for many children at a time – a good preparation for her in later years.

In 1928, Marianne graduated from Our Lady's third in her class and with the equivalent of an associate's degree of college. Then she went to work in Lansing doing secretarial work at American Dry Cleaners. She returned home when Grandma became ill. When Grandma's health returned, Mom began working for a Lawyer Cheney who got her a job at the Court House in Saginaw.

In 1930 when Marianne was 20, she met Arthur Bishop at a roller skating rink in Chesaning. You might say he used a fresh approach in meeting her. that is to say when he approached her, he became fresh and put his arm around her. For this he was promptly rebuked. Anyway, Arthur also was from a family of 9. He was the third son of Peter and Margaret Bishop. Alphonse and Joseph were older and then Herb, Mary (later Sister Margaret Ann), Harold, Louise, John and Alfred were younger. Arthur also came from a music and fun-loving family. They would often sing accompanied by piano, banjo or mandolin. Many of the Bishop men sang in the church choir for years and eventually it became known as the Bishop Choir. Whenever their family gathered, the Bishop men would gather together in a Barbershop Quartet fashion and sing quite harmoniously.

Arthur (Art) was also quite a worker on the farm along with his brothers. Grandpa Bishop owned a thresh machine and with his boys he would go from farm to farm when needed. Farm work was always of utmost importance. Arthur told us that one day when he was in the 11th grade at St. Mike's, a window was left open. When Sister's back was turned, Art jumped out of the window – never more to return there. Art went back to work on the farm where he was much needed. I wonder if the term "high-school dropout" originated with this incident.

After two year of courtship, on June 11, 1932, Art and Marianne were married at Our Lady's Church. Right after the wedding ceremony, Art & Marianne chanced to walk out of the church into a large crowd with a parade and a band celebrating the end of the Depression. As the wedding party neared them, the parade stopped to allow them to walk across the street musically accompanied by the band playing "Here comes the Bride" and "The Band Played On".

After 4 years of marriage, Peter was born. So-called because he was the eldest of the 12 children Art & Marianne were to have followed by Tom, Janet, Mike, Theresa, Angela, Sue, Joe, Larry, Tony, Francis and Gerard.

Life was a happy experience with this big family living on our 40-acre farm. Prior to the farm, Art & Marianne lived 11 years in Flint and at 2 other small farmhouses in the Maple Grove area. In 1947 the 40-acre farm was bought with a 100 yr. old house sitting on it. In this house where Marianne still lives today, many memories thrive. Of these we remember that the heart of our home was based on the Love of the Lord and devotion to his Blessed Mother. For Marianne, this became centered in the Legion of Mary which she has continued to be a member of. Every night we would all kneel down as a family and pray the rosary together. Then too, we remember all those trips to Ohio, Indiana, Illinois, etc. when we would always include in our sight seeing the various shrines and churches in those areas. Marianne and Art on one occasion visited the Shrine of the Immaculate Conception in Washington, DC. Accompanied by Ted and Edith Turnwald. On a visit to Mexico City, we visited the Shrine of Guadalupe. After the sad event of Art's passing on August 1, 1975, Marianne also visited some of the great shrines of Europe.

It would be impossible to relate each memorable happening but we do remember Art & Marianne (Mom & Dad) managed to keep us all busy especially during the warmer seasons. Here there was always gardening, lawn mowing, working in the fields, not to mention doing the washing, the canning, etc. Life was busy but peaceful and untroubled by the ringing of the telephones or the blaring of the T.V.s. I guess you could say it was something of a cross between the Walton's and Little House on the Prairie.

The things we remember best about Mom were her homemade loaves of bread. She made 20 at a time and every other week strawberry shortcake. We remember her love for Music and how we would all sing around the piano as she played. We remember how Dad would sometimes accompany her with his banjo. We remember going for walks almost daily down the lane, many times saying the rosary as we went. Each Spring we would walk to the woods where we would pick the May flowers. We remember that Mom & Dad loved nature and that the farm was so dear to them.

I am not sure that I have the data for this picture correct. The explanation submitted said that Theresa (Stump) Fedewa's is seated all the way to the right. Another pointed out William Stump as the 2nd gentlemen standing from the left in the back which matches his photo above. I'm not sure if this is a family photo of William, his parents and siblings or if it includes spouses? My apologies.

"Dad" Arthur Aloysius Bishop was born in Maple Grove Township, New Lothrop on April 14, 1907 on his parents farm. Third child of Peter and Margaret Heneige Bishop with Alphonse and Joseph being older and Sister Margaret Ann (Mary) Herbert, Louise, Harold, John and Alfred being younger.

"Art" was like his father Peter, tall and slender a very fast and hard worker. He was one of the fastest painters at the Chevy plant in Flint. All total he spent thirty-seven years in the shop. He bought his mother her first wash machine, made her very happy.

In the later years, Art was known for his sense of humor, friendly smile. The friend with the butch haircut always helping his family and others in need. Art met Marianne at the roller skating Rink, they were married two years later on June 11, 1932. They had a large family of twelve children. Peter, Thomas, Janet, Michael, Theresa, Angela, Suzanne, Joseph, Lawrence, Anthony, Francis, and Gerard. Art was a member of the St. Michael's choir and he and Marianne were members of The Third Order.

Art and Marianne lived in Flint for a few years, also rented a home in New Lothrop, then they found their dream home on a 40 acre farm. It was an older house with fruit trees and a barn lots of room to raise a family. Over the years this home has been filled with lots of beautiful music, Marianne played the piano Art played the banjo and the children with beautiful voices. Art died in 1975, Larry bought the farm land, still raising hay & etc. He and his wife Maureen also host the family Christmas party and the annual summer family reunions. Frank and his wife Paula bought the farm house several years ago and made a special new apartment attached to the house for Marianne so she can enjoy still being on the farm. Marianne was 100 years young this year, February 8, 2009

Precious Family Memories

Tom met his wife Doris Richards at a Catholic (TOBI) club in Flint in early February of 1961. He had been in the Seminary & Brotherhood for a few years and decided it wasn't his type of life.

Tom then enlisted in the army as a tank driver and was sent to Germany for three years. While in Germany, he was stationed near his brother Peter for a short while. He returned home in the fall of 1960. He and his brother Michael hired into Oldsmobile in Lansing. Both were then laid off for several months after working a couple of months. He and Doris were married September 9, 1961, in Flushing, St. Robert's Church.

Tom and Doris rented an apartment in Lansing when Tom returned to work. A few months later, the first of August 1962, they purchased 4-1/2 acres on Airport Road in Dewitt, MI and also a small older trailer house. They put in a well and septic system. Now and then their were lay-offs and money was tight. The first bundle of joy, Rose Marie, arrived August 11, 1962.

The next spring, Tom with his shovel and a wheelbarrow continued to dig the basements and started on the blocks and foundation for the new house. Tom's Dad, Arthur suggested getting a cousin Leo Fedewa from the Fowler area with a baco. What a blessing that was. He was happy to help. Tom continued with the blocks and etc. and Doris helped tar them. Tom got books on carpentry and applied for his builder's license,. It seemed to come naturally. On September 21, 1963, Karen, our second bundle of joy arrived.

Working every night after work, and after dark with Doris holding a flashlight, Tom continued until the basement was all completed in the fall of 1964. Tom like his Dad and Grandfather ahead of him always had several projects going all at the same time. He had a large garden, orchard, special yard trees and shrubs and his own little farm animals, etc. Of course his wife was his helper (hired man)! The trailer was sold and the basement had cold water but no bathroom. It sure had more room for three children as November 5, a third bundle of joy, Kathy arrived.

Tom continued day after day working on framing in the house. Occasionally on weekends his friend Dick Kline, his dad and his brother Pete would help. Also his younger brothers, Mike, Larry, Joe, Tony, Frank and Gerard. Especially for the cement work. Tom's mother would help Doris fix big meals. Of course she got to be an expert at it. With the framing done and the roofing finished, we finished one room at a time. Doris's sister Mary loaned the money for a bathroom desperately needed. Months later came kitchen cupboards, etc. Then the big surprise, on

December 7, 1965, six weeks early, two bundles of joy, Tina and Thomas J. were born.

With the house pretty well complete, except two extra rooms over the garage, Tom bought a used tractor and decided to sell the house and try his hand at a farm type of life with the wide open spaces. In November 1971, we found the perfect 45 acre farm, only 2-1/2 miles from Morrice and Perry. We couldn't wait for Spring to come. We just about froze to death and had to share the house with squirrels and other critters. The frame was ok, but no insulation, foundation all wrecked with lots of water in the Michigan basement, roof rotting and the bathroom floor falling in. Needless to say, Tom started on a new basement and we moved into it as soon as possible. It was crowded but it had a bathroom this time and it was warm. The farm had a nice barn, which was nice as we moved our farm animals too. We didn't have as many as Noah, thank goodness!

Tom had a problem with ulcers but learned not to worry so much. We knew we probably would never have any money from week to week building a house and buying the farm. But God never left us down. Tom put in a large garden so we had plenty to eat and the kids helped. Doris worked part-time at Owosso Hospital as an Aid, K-Mart and IGA bakery in Perry. It took almost seven years to tear down all the old buildings, clean up all the junk and build a new house and plant a new orchard.

In the summer of 1990, we added on a 18 x 24 room onto our small house with 5 children married, and the eighth grandchild on the way, it has been one of the best investments we have ever made. All our children and son-in-laws helped and also Tom's sister Janet. We visited with Janet at Amada, Arizona on our 25th anniversary, September 1986.

Tom retired May 1, 1992. We visited with friends in Switzerland and Kitzingen, Germany. Tom promised 31 years ago, he would return to see his friends, Joseph and Emma Schaver and their son Norbert. Their daughter Renata and her husband Reinhart and their three children live in New York. We have been their to visit a couple of times. The trip to Europe was wonderful in March 1992. Tom still is interested in wood working and is taking classes at Lansing Community College. He has his workshop set up in the basement and garage.

As of May 17, 2010, we have 13 grandchildren and 4 great grandchildren. All still live in Michigan except Tiffani & Joe Flagstadt and Giana.

Michael and Celeste Bishop

I, (Mike), graduated from JW Sexton High in 1983 and Celeste graduated from Lansing Catholic Central in 1985. Celeste and I married on April 29, 1989 at St. Gerard's Church in Lansing. Both Celeste and I graduated from Spirit Life Christian College in Irvine, California in 1997. We lived in California for 3 years in Costa Mesa, Irvine and Escondido. We currently reside in Lansing, MI with our 2 daughters Christina -19 and Marisa -16.

Our family attends Mount Hope Church where we have been members since 1986. Our whole family has been involved in music at Mount Hope and I, (Mike), am a Deacon and serve on the church board as well. Christina and Marisa are both active in the church youth group where both of them lead worship with both singing and playing keyboard/piano.

Celeste and I both work for her family's business called the Labor Law Poster Service where I am the Operations Manager and she is the Data Department Supervisor. Marisa also works in the data department. Christina did work with us in the Customer Service and Data departments (and still occasionally does) but left to take a position as an Salon Attendant at Douglas J Salon in Okemos, MI.

Christina graduated from New Covenant Christian School in 2009 and has attended Lansing Community College taking classes within the music curriculum. She has taken some time off from L.C.C. to do an internship at International House of Prayer in Kansas City, MO. Marisa had attended New Covenant Christian School since kindergarten but has switched to Grand Ledge high school her sophomore year. Marisa has aspirations that will take her into either music like her sister or possibly into criminal justice and research (a real-life CSI). That's about it in a nutshell.

Thank you,
Michael Bishop (Jr.)

Timothy Michael Casey
January 6, 1943 to January 26, 2001

Tribute for Tim from Memorial Mass New Lothrop,

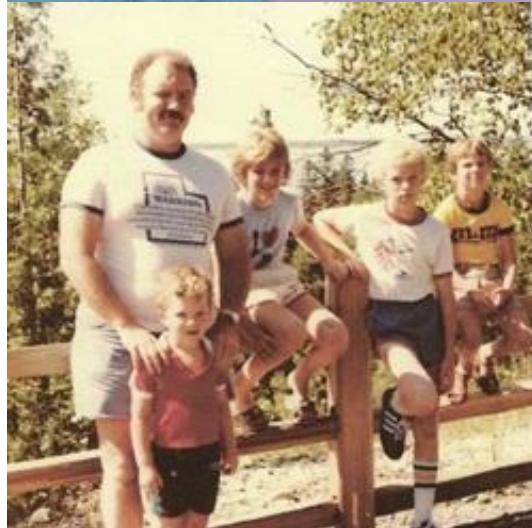

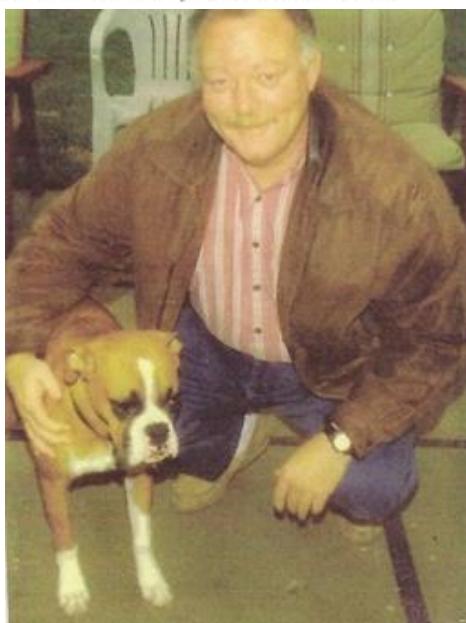

May 10, 2001

"People are not called to be angelic, but to be fully human." (Sean Caulfield) No one would ever say that Tim was angelic, but all would agree that he was fully human. His obituary, written by his children, said simply, "He was a consummate provider, everyone's best friend, and beloved by all."

Why did he die so young? We don't know, but none of us can ever imagine him as old, decrepit, incapacitated. He loved life and lived it to the hilt with generosity and a spirit of fun pervading everything he did. He died with his shoes on – all ready to go to work – in the state he loved – and will be, in our eyes, forever young.

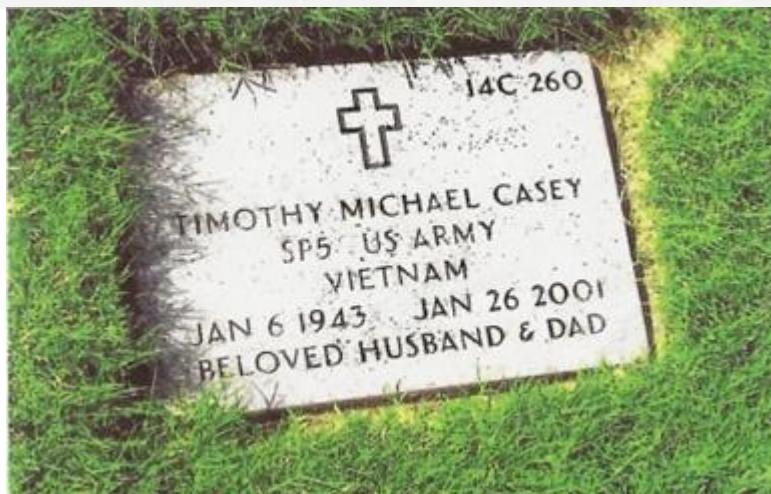

There is a huge void in our hearts. His friends, like us, are inconsolable. He lives on. Not only in the hearts of many, but on screensavers, photos, and fond, fond memories.

"He has achieved success one who has lived well, laughed often, and loved much. He has left the world better than he found it, has looked for the best in others and given the best he had." ~ Ralph Waldo Emerson

Prayers of the Faithful for Dad: 1-29-01 by Colleen & Sean Casey

- Dad is a man that we all looked up to. We admire him always and ask God to grant us the same noble qualities that characterized his life and everything he did. This is his legacy to us and this is how he will live on. We ask you Lord, to hear us.
- Dad was the strongest man we know. He never succumbed to weakness or asked for help or lenience. God, grant us that strength as we move forward to conquer our own obstacles and limitations.
- Dad approached every aspect of his life with unflagging energy. Whether it was work, or play, or dragging us kids to every historical marker in the state of Texas, Dad gave 110 percent of himself to every duty and to every adventure. God, let us find the energy within us to live our lives wholeheartedly and without reserve.
- Many times over the years, we have seen the effects, both positive and negative, of Dad's uncompromising integrity. He had an innate sense of what is right and that quality has been a source of guidance to us all of our lives. Dad always said what he meant and did what he said he would do. God, let us live our own lives doing what is right and what is good.
- Dad's intellect was one to be envied and admired. He possessed the wisdom of experience along with good judgment and marked intelligence. These qualities combined to make him a trusted advisor in all sorts of matters and formidable opponent when you needed someone to fight for your cause. Lord, give us the ability to use our minds to their fullest capacity and to never forget that our thoughts and dreams are limitless in their potential.
- If you look around you today, you can see the effects of Dad's commitment to his family and friends. He provided for us all of our lives and never stopped working to ensure our comfort and well being. To his friends he was there, always ready with a joke, a story, or a beer--always giving what was needed. God, grant us the heart to reach out to our own friends and family, to foster those bonds that are so important to us.
- Dad's generosity knew no bounds. He gave freely of his time, his resources and his frequent flyer miles. In particular, Dad gave us the best of himself: his open and inviting ear, his strong and comforting shoulder and the benefit of his wise and considered counsel. Lord, let us be generous with ourselves and each other, knowing that to give is to love and that giving needs no promise of return, but rather thrives on its own in a widening circle of fulfillment.
- Perhaps Dad's most endearing quality was his sense of humor. His wit showed on so many levels: complex and simple, intellectual and playful. It was part of everything he did. Dad used humor to make work more like play, to make life more livable. He infused our lives with joy and laughter and for that we will always be grateful. God let us always be thankful for the gift of laughter and joy.

In Loving Memory of

Brian Casey

April 18, 1977

August 5, 2009

We are deeply saddened by Brian's passing. Brian loved nature, and taught us to appreciate the earth that we walk on and the sky that surrounds us. He sought adventure, he travelled, and he made friends wherever he went. Brian was kind and loyal to his family, and some of his best friends were his many cousins. Brian's ready grin and energetic pursuit of good times will be missed by so many.

We love you, Brian, and we wish you peace.

He whom you loved and lost
is no longer
where he was before.
Now he is wherever you are.

**Married
January 26, 1996**

Gerry and Lisa (ages 43 & 39, respectively at the time of marriage) tried to have children. They suffered two miscarriages in the early years of their marriage, and then moved forward, giving and nurturing life in new ways, especially through their work and service of others. On the night before Lisa died, Lisa's mother told her "Now you'll finally get to see your two children in heaven."

Father Gerard Bishop
Ordained: January 26, 1980

Photo provided by:
Vic Bishop

After being ordained on January 26, 1980, Gerard served for 7 years in N. Mississippi as an Associate Pastor at St Joseph's in Holly Springs (covering 3 counties) and as Pastor at Holy Spirit Church in Hernando (just south of Memphis TN), during which time he was also Local Superior and Vice-president of the Sacred Heart Southern Mission Corp.

In March 1987, in response to their challenging some under-handed decision-making in his religious community, he and 3 other pastors were transferred out of MS with only 10 days notice. In trying to recover from this great blow, Gerard took a sabbatical in Houston, returning for a 2nd Masters--in Clinical Social Work, with a license in Marriage & Family therapy. In graduate school, Gerry first met and befriended Lisa.

Working as a Family Therapist & Supervisor, Gerard took an extended leave of absence from the community, struggling with a persistent call to both priesthood and to married life. Unable to decide, in July 1994, Gerard returned to Saginaw and worked for 8 months in the diocese. After a 30-day retreat, he discerned that God was calling him to move forward in married life with Lisa, and applied for dispensation.

As a sign of seeking to minister as a couple, Lisa and Gerry married on January 26, 1996, on the 16th anniversary of ordination. After the dispensation from Rome arrived, their marriage was blessed on May 3, 1997 at St Mary's Church in League City, TX, near where Lisa's parents

Vacation in Austin, Texas.

and family lived. A honeymoon trip throughout Europe followed.

Early married life included many great joys, but significant sufferings as well: Lisa, age 39 at marriage, suffered two miscarriages and was childless, but bore fruit in her work as a HS Social Worker & Career Prep Coordinator. In Feb 2000, Gerry was downsized from his Mission Services Coordinator job at St Mary's (along with 18 other administrators), but 9 months later, began his present ministry as an Oncology SW at Covenant, where he continues to serve almost 10 years later.

Lisa (Daumas) & Gerard Bishop

In July 2007, Lisa was formally diagnosed (at both Mayo Clinic & U of M) with a rare incurable cancer, and with (probably related) moderate dementia. The cancer was surgically removed in the tail of pancreas on Sept 11, 2007, but showed up in the liver in early 2008. Lisa met her fight with a courageous and upbeat attitude and faith, this despite the many losses, including leaving her work on disability in May 2008. Lisa then entered into a clinical trial at MD Anderson in Houston.

We enjoyed visits with her mother and close friends during her clinical visits every 28 days. In June 2009, the trial drug stopped working and, despite a significant loss of weight, Lisa, at the urging of her doctors and family, opted for a 5-day course of chemo. Chemo clarified her thinking but was too much for her frail body. She never

lost her sweet, kind, caring and giving disposition. But after weeks of intense pain and discomfort, due to uncontrolled blood loss, Lisa died 4 am on Sunday, Sept 20, 2009 in CCU in the arms of her beloved Gerry, and with her mother and a friend close beside her. Her funeral on September 23, 2009, was her 53rd birthday, and celebrated Lisa's glorious birth into the new and eternal life in God.

Gerry & Lisa Bishop

Since her death, Lisa's generous, empowering and loving inspiration continues. Lisa's beautiful eyes filled with God's light were donated to the eye bank for research. Over \$5000 has been contributed in her name to the Mustard Seed Homeless Shelter (a Catholic Worker House) for women and children in Saginaw. A \$500 annual scholarship at Carrollton H.S. has also been renamed in her memory, with the first recipient receiving the award from Gerry on May 25, 2010. Most of her clothes have been donated to the "Over the Rainbow" thrift shop, benefitting the Underground Railroad Shelter for Battered Women in Saginaw.

In Loving Memory

Lisa E. Bishop
September 23, 1956 - September 20, 2009

God hath not promised skies always blue. Flowers strewn pathways all our lives through;

God hath not promised sun without rain, joy without sorrow, peace without pain.

But God hath promised strength for the day, rest for the labor, light for the way, grace for the trials, help from above, unfailing sympathy, undying love.
