

## Peter & Margaret (Henige) Bishop Family Descendent Totals

Name	# Direct Blood Line Descendents	# Non Direct Blood Line Descendents	Total Family Descendents
Alphonse Francis Bishop	182	6	188
Joseph John Bishop	111	6	117
Arthur Aloysius Bishop	130	3	133
Mary Ann Bishop	0	0	0
Herbert Leander Bishop	43	0	43
Louise Teresa (Bishop) Wendling	79	1	80
Harold Jacob Bishop	38	0	38
John Vetis Bishop	79	16	95
Alfred J. Bishop	37	5	42
Add Veitus, Peter, + 9 Children above	11	0	11
<b>TOTAL KNOWN PETER BISHOP DESCENDENTS AS OF 1-3-2010</b>	<b>710</b>	<b>37</b>	<b>747</b>

### NOTES:

1. The total 747 above includes counting Veitus and Peter. The total Peter Bishop descendents minus Veitus and Peter would be 745.
2. Because we do not have accurate information for the Harold & Rose (Basel) Bishop Family, it is believed the total number of descendents is definitely more than 747.
3. Not to offend anyone, however, to accurately show the # of direct blood line you would take the non blood line (step-children, step-grandchildren, adopted children) and subtract it from the total number shown at the bottom of each Peter & Margaret Bishop child's family genealogical listing in the spreadsheet. This was used to calculate the column above. Again, I do not mean to offend anyone by showing this number. I think it's awesome we have so many additional members. They too now will know the family history if they so chose to view the book.

Listed in order of birth as best known.
