

LEADERSHIP RENEWAL FORM

The future of Mount Hope Church is a picture of the Kingdom of God invading earth. God becomes the talk of the town. What God is doing—healing, saving, restoring people's lives—is what everyone is talking about. It's a picture of the church being an unstoppable force for good in the community, every member being a minister who carries the presence of God everywhere they go. Ephesians 4:16 states God's design for the local church when it says, "He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy, growing, and full of love." This is God's blueprint for His Church...and I'm so glad you're a part!
