

Dear Michael & Celeste Bishop,

What a year 2014 was in reaching today's youth. Thank you for working with us as a mySOUND partner "Making sure HIS voice is heard." Impacting youth often comes with delayed results, but it is one of the greatest investments of our lives!

Here are some highlights for Soundsgood from 2014

- Gave away over 3,000 Albums
- 4 months total serving at CityLife Philly & launching Get Rooted at Crossover Tampa, FL
- Performed & spoke at 7 School Assemblies in Moline, IL & Holt MI totaling 3,500+ students
- Released Shanell's "By Design" Album & held a Teen Girls' Conference
- Shared the Gospel to over 3,000 students

Having our hands to the plow will always result in times of fruit bearing and also times of tough work with bumps and tension. We experienced both this year and have pushed through adversity and changes. Through budget changes and everyone becoming volunteer staff as a result, we continued to see momentum. Thank you for fighting with us to finish what Jesus has us working on. Each step of the way, God has shown his faithfulness and reminded us that it is only by his grace and power that we exist.

I am **pumped up** about this next year in Soundsgood - Rob G's Make Believe project releasing in Spring, planning the Get Rooted Discipleship Camp 2016, and the beginning foundation for my ('Jerome' in case you were wondering who is typing this) next CD aiming to be released in 2016. Also, we have 8 applications for our internship program. All of this while my wife just gave birth to twins and we are gearing up to plant a church in the Fall of 2015...wow, how FUN!!

Thank you for Sprinting and running the Marathon with us. A 'thank you' just doesn't seem enough to reflect our gratitude. **You help us reach people for Jesus**, and that is legendary beyond words or text. You are so valuable to us, and I believe you will hear many stories for all of eternity about the lives you are reaching with us in heaven. You empower us to further advance the Gospel and the Kingdom.

Thank you,
