

Hello.

I am using the mikeb.llps@comcast.net to login. It doesn't look as though any of the order history is available yet. Please let me know how things are progressing.

Thank you,

Michael Bishop

Hello.

I did as you instructed but it says, " You haven't placed any orders with us yet." Would you be able to link these to my account even though these orders were placed straight through PayPal? I was ordering directly on the website and not logged in to my account. After PayPal processes the payment, the order finalizes when it links back. I will remember to log-in to the account before I process payment in the future. It would still be nice if I can get the rewards and have the history on my account. Let me know.

Thank you,

Michael Bishop

Don't worry! You are able to retrieve the order number from your Tanga account. First, please go to the Tanga's home-page. Next click in the top right corner where it displays "Track An Order". This page is where you are able to review past orders and track current ones. This is also where you can get that order number.

Hello.

I have several orders that I have placed but I did so with my PayPal account. The history is not linked because I was ordering straight from the link and just making payment. Is there a way my order history can be added to my account. My email is mikeb.LLPS@comcast.net and I have ordered below, all of the following in the past 2 months:

Order date Order #

12/20/2017 J6EBYJYH63P8

01/03/2018 JYVNNHG8TTU6

01/03/2018 C6JQUU7GVK3Q

01/04/2018 6G8XQBEE22N3

01/11/2018 Q79G3B4H98E2

01/15/2018 CXL7DCB6277E

Your assistance is greatly appreciated!
